# ANJO

**DL-1200**  
Automatic Omnipotent Press

MODEL: DL-1200

VOLTAGE: 220V /1P /50Hz

POWER: 0.4KW

STEAM PRESSURE: 4~5kg

COMPRESSED AIR PRESSURE: 4~5kg

STEAM CONSUMPTION: 20kg

WEIGHT: 370kg

SIZE: 1250\*1140\*1800

**WW-1200**  
Pneumatic Automatic Omnipotent Laundry Press

MODEL: WW-1200

VOLTAGE: 220V /1P /50Hz

POWER: 0.4KW

STEAM PRESSURE: 4~5kg

COMPRESSED AIR PRESSURE: 4~5kg

STEAM CONSUMPTION: 20kg

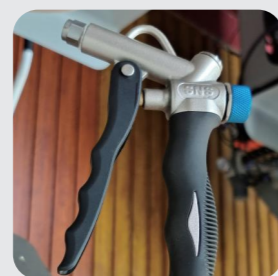

WEIGHT: 370kg

SIZE: 1250\*1140\*1800

Optional

Electric steam iron can also be optional

All pressing machines and form finishers are equipped with water mist gun as standard

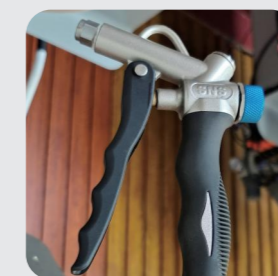

Silencer can be installed to make the use environment quieter.

Optional

Electric steam iron can also be optional

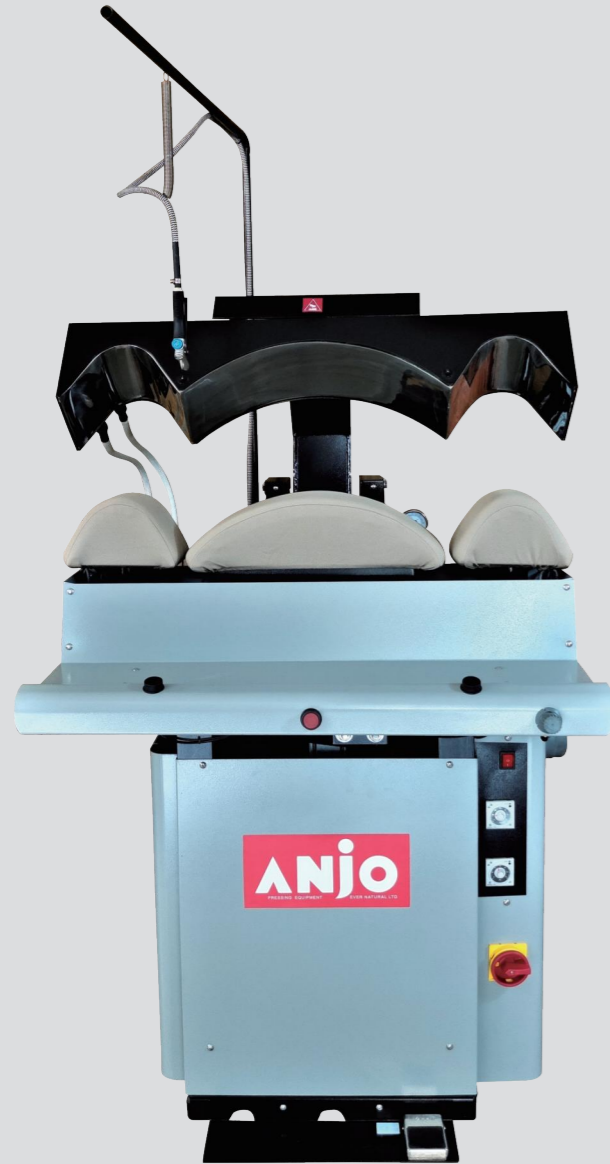

All pressing machines and form finishers are equipped with water mist gun as standard

Silencer can be installed to make the use environment quieter.

**HP-1000**  
Pneumatic Automatic  
Collar-Sleeve Press

MODEL: HP-1000

VOLTAGE: 220V /1P /50Hz

POWER: 0.4KW

STEAM PRESSURE: 4~5kg

COMPRESSED AIR PRESSURE: 4~5kg

STEAM CONSUMPTION: 15kg

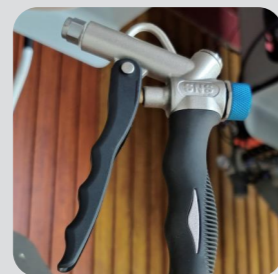

WEIGHT: 350kg

SIZE: 950\*1140\*1800

Optional

Electric steam iron can also be optional

All pressing machines and form finishers are equipped with water mist gun as standard

Silencer can be installed to make the use environment quieter.

**SB-500**  
Pneumatic Automatic  
Shoulder Back Press

MODEL: SB-500

VOLTAGE: 220V /1P /50Hz

POWER: 0.4KW

STEAM PRESSURE: 4~5kg

COMPRESSED AIR PRESSURE: 4~5kg

STEAM CONSUMPTION: 20kg

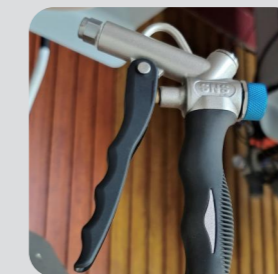

WEIGHT: 350kg

SIZE: 1040\*1140\*1800

Optional

Electric steam iron can also be optional

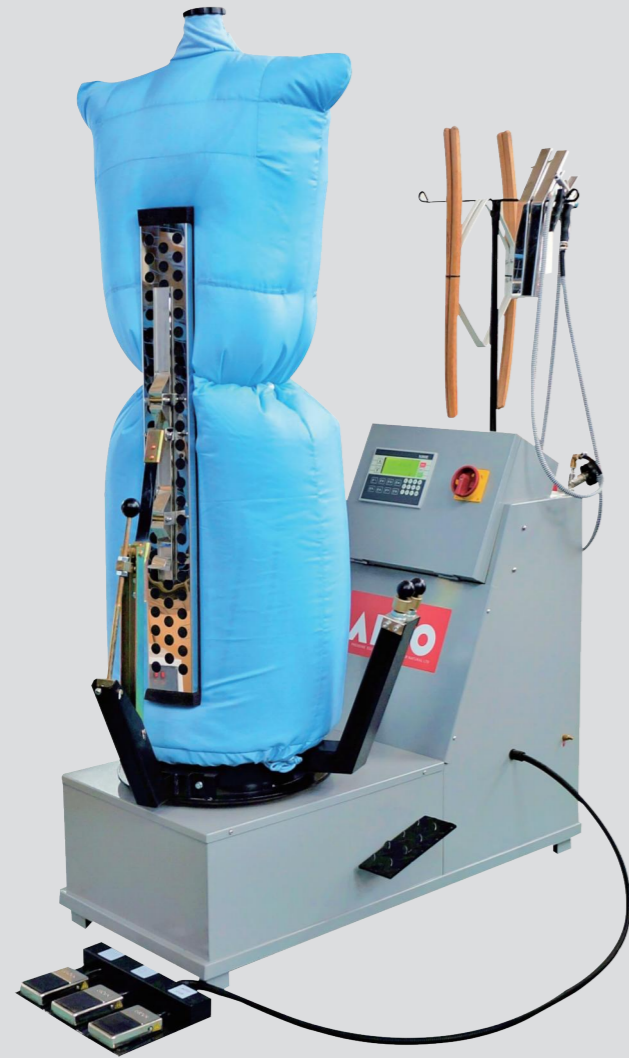

All pressing machines and form finishers are equipped with water mist gun as standard

Silencer can be installed to make the use environment quieter.

PI-001  
Form Finisher

MODEL: PI-001

VOLTAGE: 380V /3P /50Hz

POWER: 0.75KW

STEAM PRESSURE: 4~5kg

STEAM CONSUMPTION: 15kg

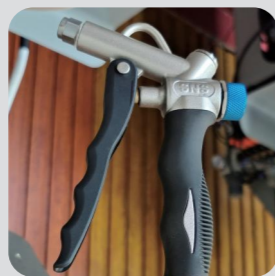

WEIGHT: 100kg

SIZE: 1300\*600\*1900

Optional

Automatic sleeve stretching mechanism and hanging iron

All pressing machines and form finishers are equipped with water mist gun as standard

Manual sleeve stretching mechanism

SR-001  
Function Spot Remover

MODEL: SR-001

VOLTAGE: 220V /1P /50Hz

POWER: 0.75KW

STEAM PRESSURE: 4~5kg

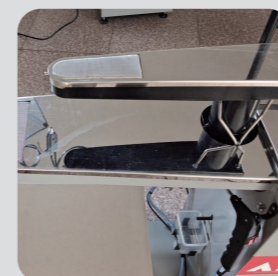

COMPRESSED AIR PRESSURE: 4~5kg

STEAM CONSUMPTION: 10kg

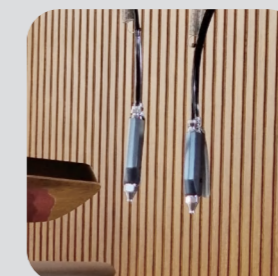

WEIGHT: 80kg

SIZE: 1200\*500\*1800

Optional

Standard small suction die

Two stain remover guns as standard

Standard steam gun and waste liquid collection box

AT-001  
Spotting Board with  
Steam Source

MODEL: AT-001

VOLTAGE: 380V /3P /50Hz

POWER: 1.55KW

STEAM PRESSURE: 4~5kg

STEAM CONSUMPTION: 15kg

WEIGHT: 80kg

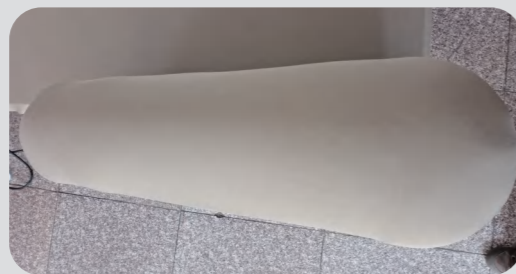

SIZE: 1500\*800\*1800

Optional

Electric steam iron can also be optional

Standard universal small die, which can be used for ironing pants waist, suit chest and other parts

Introduction  
to advantages

Adopt the world's top brand pneumatic components

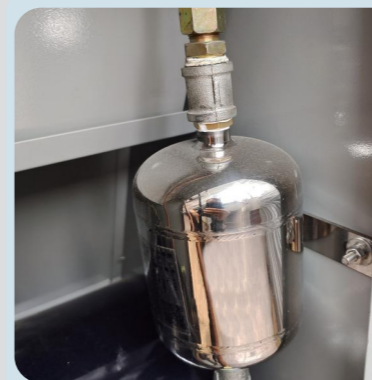

8mm stainless steel polishing mirror die head has unparalleled advantages

Standard vacuum pump with suction greater than 50% of that of other manufacturers

The pressing machine is equipped with a famous brand drain valve with bypass as standard

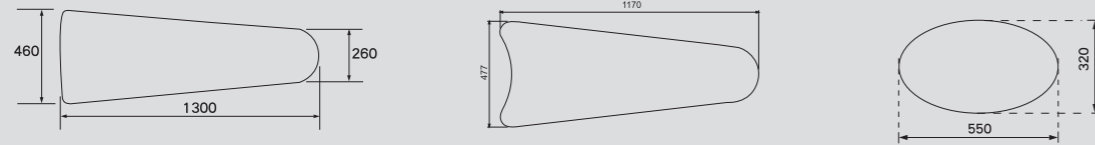

Stainless steel pressure resistant steam drum makes the water mist gun work perfectly

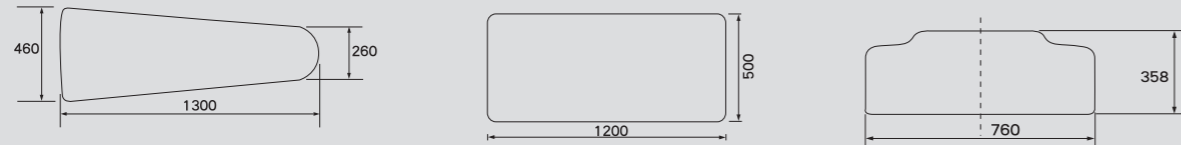

Stainless steel waterproof foot pedal ensures safety

Pressing machine  
die head selection
