## Lash Chairs

1 —  
2

This chair features a distinctly contoured backrest design, equipped with pneumatic height adjustment and full 360° rotation, providing users with convenient adjustment and flexible operational experience. Our salon chair offers a variety of leather colors to choose from, allowing you to match the salon's decor or personal preferences. The seat cushion is filled with high-quality sponge, providing maximum comfort and support for long hours of high-intensity work, allowing you to fully immerse yourself in your work without feeling fatigued. This chair not only combines practicality and comfort but also creates a stylish and comfortable atmosphere for the salon, making guests feel thoughtful and professional while enjoying the service.
