This salon chair features a sturdy base and a stylish modern design. Equipped with height-adjustable swivel seat functionality, ensuring every guest can find their perfect seating position. Its open-back design exudes a touch of elegance. Guests are impressed by its graceful curves and petal-like backrest shape, as if immersed in a sea of flowers. The seat cushion provides deep and comfortable lumbar support, allowing people to sit comfortably for extended periods. Whether for casual or professional occasions, this salon chair is the optimal choice for your salon studio.
