# CRESCENT

This product is tailor-made for beauticians, taking into consideration the physical discomfort that comes with long hours of work. It features adjustable headrests and leg supports to ensure comfort during operation. Designed meticulously by our experts, the dimensions and proportions of the makeup bed are perfectly balanced to effectively reduce spinal pressure and enhance the user experience. Additionally, it comes equipped with two pillows, providing ultimate relaxation for clients, allowing them to fully enjoy their treatment.

Crescent

Lash Bed

Crescent

Lash Bed

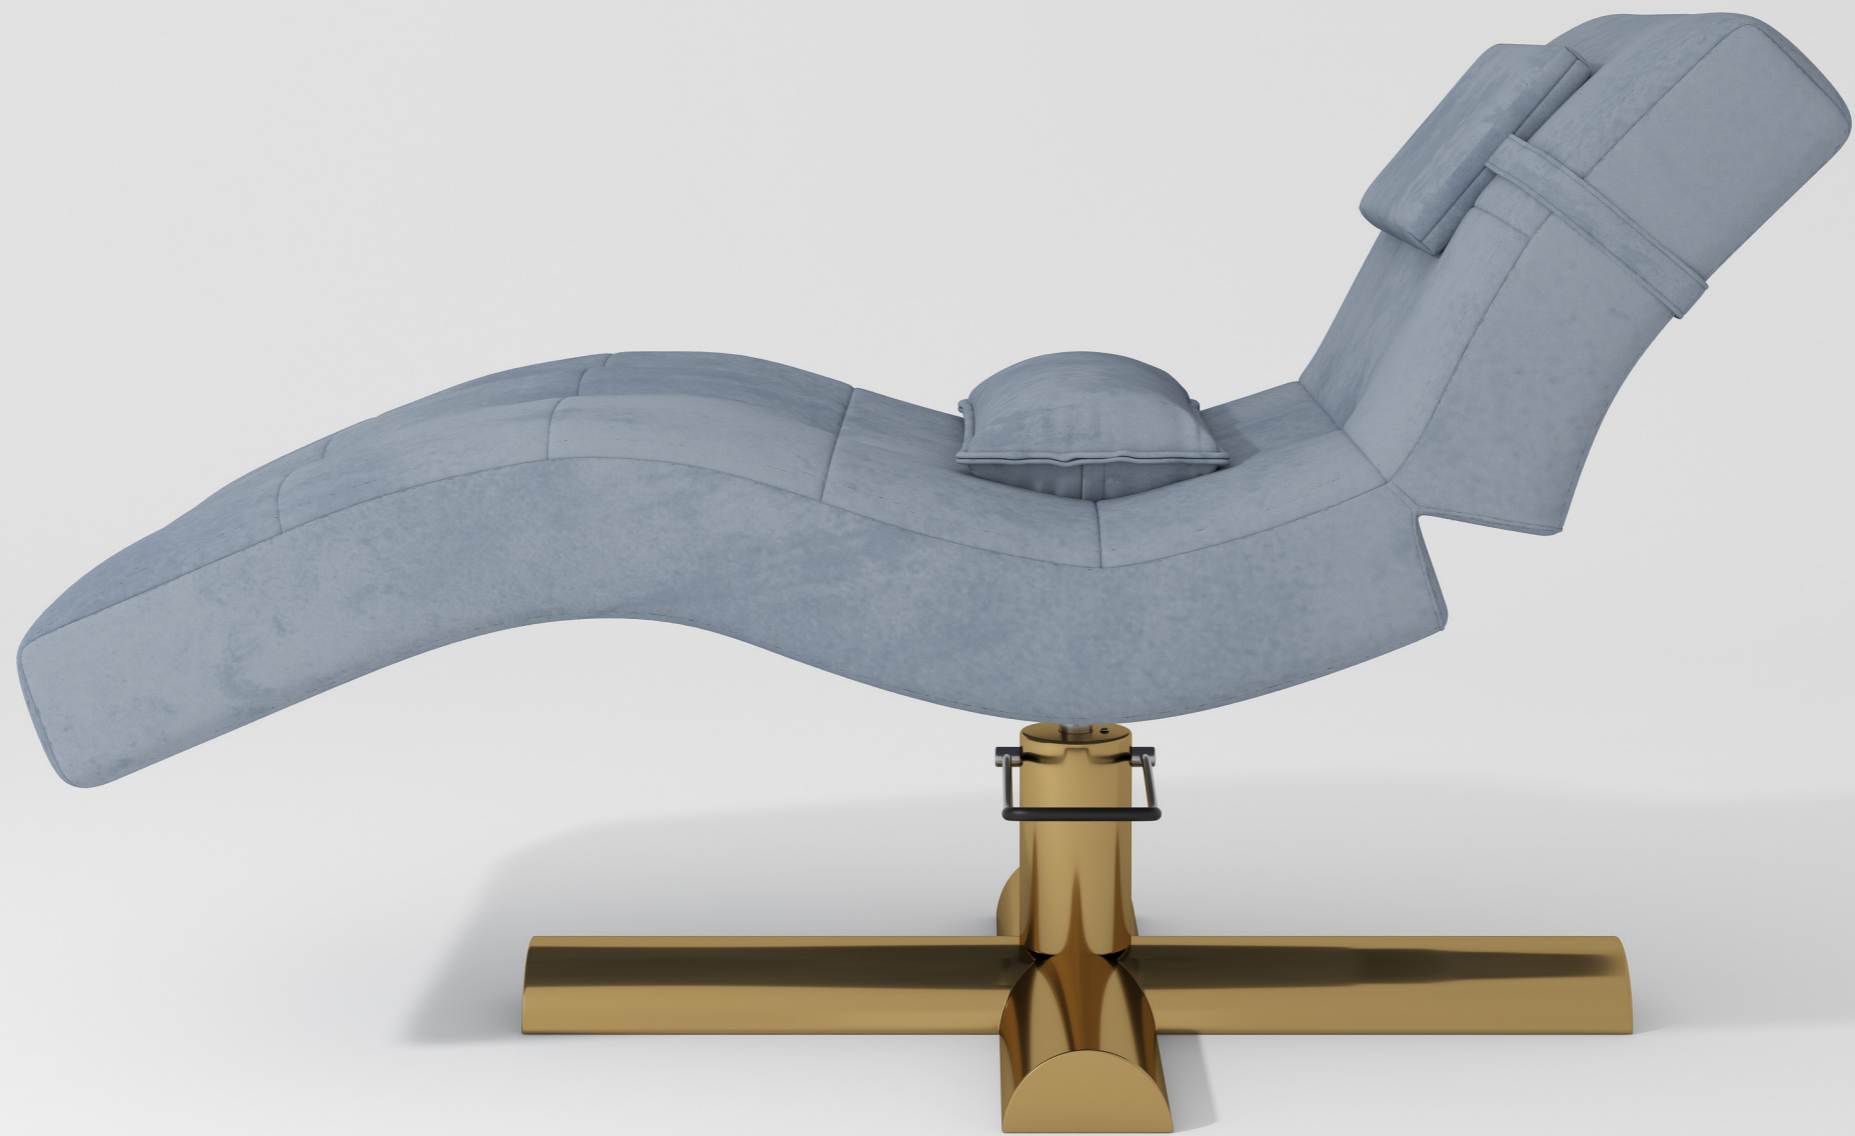

# RUBIX

Aesthetic therapists often need to maintain a single posture for extended periods. The adjustable headrest ensures greater comfort. Crafted by our designers, this unique makeup bed ensures optimal proportions, enhancing the overall experience while completely alleviating spinal pressure. It comes with two pillows, allowing your clients to truly relax and immerse themselves in the treatment.

# LOLA

The LOLA massage/facial bed is elegantly designed, featuring a wave-shaped, streamlined contour and superior comfort. This bed ingeniously relieves lumbar pressure and provides perfect support for customers of all body types with its soft design, enhancing the user experience. It also offers ample leg space and a spacious work area for service providers, facilitating easy access to tools and supplies. It is ideal for professionals in eyelash enhancements, eyebrow grooming, makeup, hair removal, and skincare services.

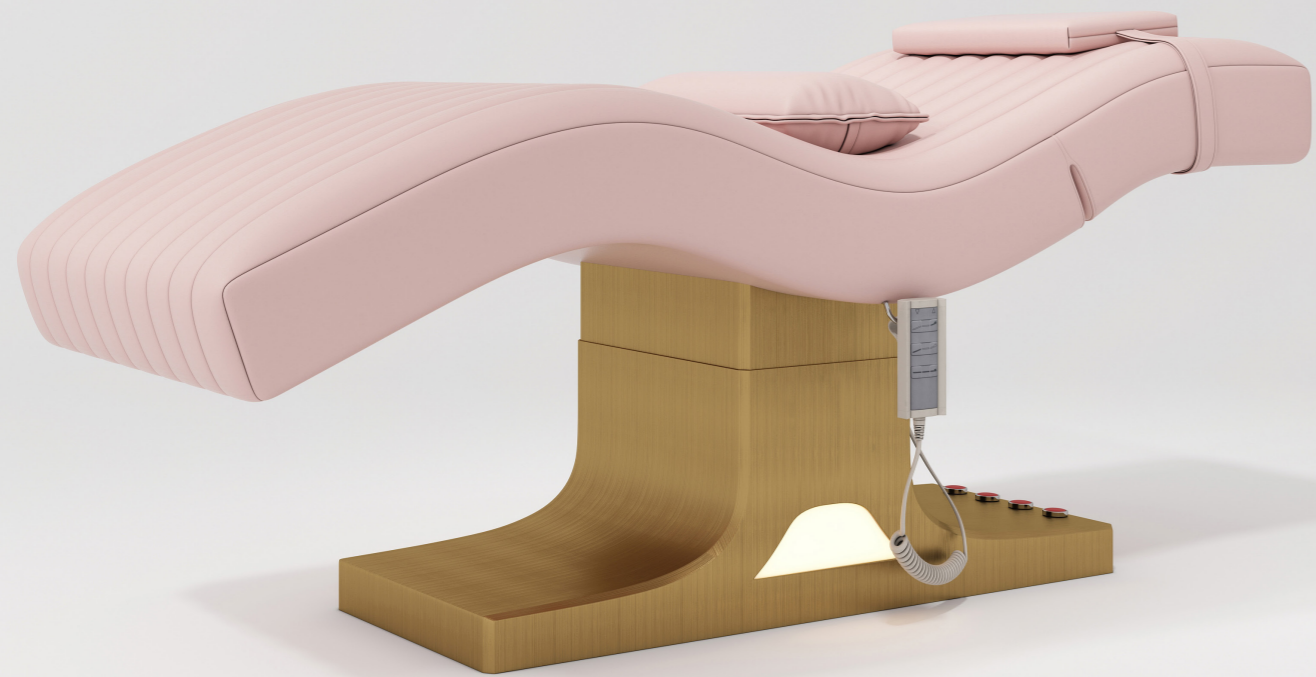

Lola

Lash Bed

**ELAN**

This premium electric beauty bed is exquisitely designed, making it an ideal addition to modern beauty salons and day spas. The bed is upholstered in high-quality fire-resistant PVC leather, which not only offers a soft and comfortable touch but is also easy to clean and maintain. The design blends functionality with aesthetic appeal, featuring a gold metallic base that is both sturdy and elegant. Its unique curved design enhances visual appeal and ensures structural stability.

The electric adjustment feature allows for the customization of head, leg, and height settings to accommodate various body types and provide a personalized comfort experience. Operation is straightforward with a control panel located on the side of the bed, enabling beauticians to deliver precise services effortlessly.

**BRYNN**

The minimalist and stylish curves of the salon bed, along with its open base design and unique supporting legs, make a striking statement. The entire bed is covered with undulating foam-filled grooves. You can utilize the open legs as storage space or let them stand out as a design highlight in your salon.

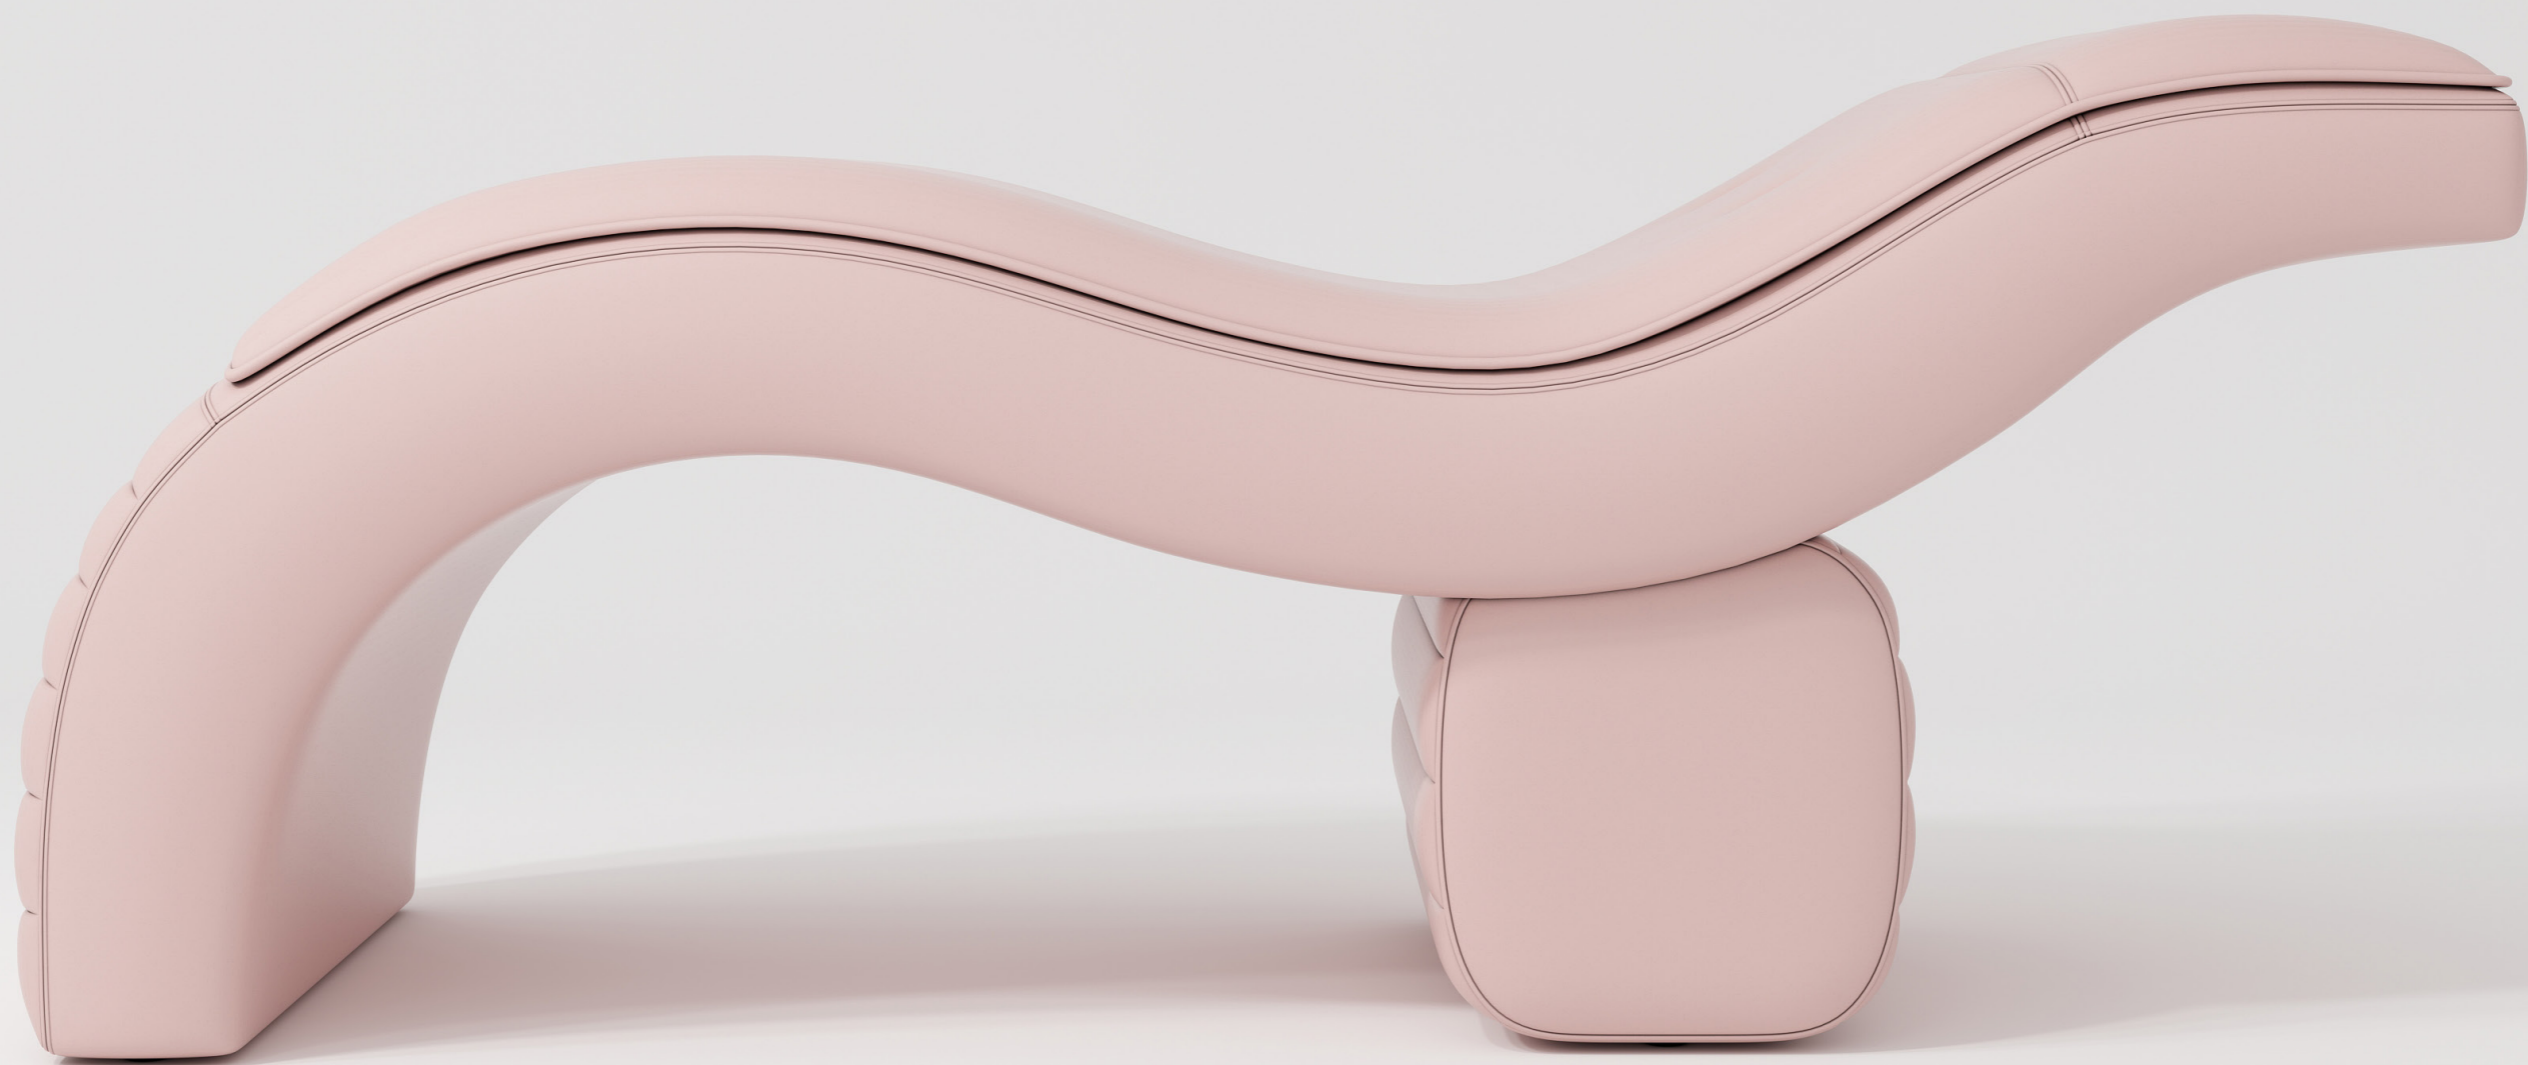

**WAKE**

Soft and comfortable, our exclusive salon chair exudes unique charm with its elegant curved silhouette. Providing a cozy cocooning sensation, this salon chair is the perfect choice for relaxing and enjoying facial treatments.

# ALABAMA

The ALABAMA beauty care bed is specifically designed to maximize space efficiency and meet the modular requirements of diverse sectors. It boasts a solid structure, equipped with a metal base and a durable metal frame, along with an enclosed hydraulic pump system, providing reliable performance assurance. Suitable for spa and beauty treatments, it also meets the needs of various other services including body care.

# NATURE

This beauty bed features three independent actuators that allow for quick and precise adjustments to a variety of ergonomic settings—from a comfortable seating position to an extended leg position and a relaxing massage setting, all accessible with just a touch. The tiltable armrests and adjustable height provide easy access for smaller clients and customizable comfort for users of different body sizes. Moreover, the expandable headrest and footrest offer optimal comfort for larger individuals, ensuring that every client can fully enjoy their relaxing beauty experience.

Nature

Beauty Bed

**AMOR**

The AMOR beauty bed is fully-featured with three electric actuators, designed for a range of services including foot care, facials, body treatments, and makeup applications. Adjustable electrically, its height, backrest, and tilt angle offer ease of use. It features independent, adjustable, and detachable leg supports with a flame-retardant and oil-resistant leather covering. The armrests, headrest, and footrest can be folded and removed. The backrest tilts up to 90 degrees and includes a facial aperture. The base is constructed from electroplated stainless steel.

Beauty Bed

# EMPRESS

This beauty bed incorporates advanced technology into its design, ensuring precise adjustments while maintaining a sleek, sophisticated appearance with smooth and silent operation. It is equipped with a convenient handheld remote and integrated bed controls, offering unparalleled ease of use. Manual adjustability of the leg supports further increases its practicality. Beyond its remarkable functionality, this multifunctional electric beauty and massage bed provides customizable options, allowing selection from a variety of colors to match your spa's aesthetic, creating a cohesive and eye-catching atmosphere that perfectly suits your brand and style. Experience this outstanding beauty bed to enhance your spa experience.

Empress

Beauty Bed

# EASYTIME

The bed features a quiet motor for easy and smooth height adjustments, ensuring silent operation. A sturdy steel frame provides solid and reliable support, while manual adjustments for the back and leg sections allow for effortless customization of angles and positions. Equipped with flexible casters, the bed is easily movable, offering unparalleled convenience and value for beauty care.

Easytime

Beauty Bed

# WALTZ PLUS

Classic design offering comfortable and sturdy support ensures an all-around comfortable sitting experience. Crafted from premium vinyl, featuring adjustable height control and a soft backrest, it delivers an effortless working experience. This stool also comes equipped with multi-directional casters for easy rolling (and cleaning!) and doubles as a reception stool.

Salon Stools

# LEAF

Featuring a sturdy base and a sleek modern design, this salon chair is a standout choice. With its height-adjustable swivel seat feature, everyone can find their perfect seating position. The open-back design adds a touch of elegance, while the graceful curves and petal-like backrest leave a lasting impression on guests, evoking the feeling of being surrounded by a garden of flowers. The deep, comfortable cushion provides ample support for the lower back, allowing for long periods of comfortable seating. Whether you're in a casual or professional setting, this salon chair is the ultimate choice for your salon studio.

Leaf

Salon Stools

# BALLET

This chair features a shorter seat with a hexagonal shape at the front. This design makes it easier to maintain an active sitting posture when raising and lowering the seat. It's particularly well-suited for cross-legged or perched sitting, which is a unique feature of this chair. The seat can be adjusted to low and high working positions, even up to a standing position, allowing you to stay balanced while working.

# BAIANA

This beauty salon chair features an elegant and modern design, making it perfect for various types of salons. It boasts a chrome-plated metal frame, ensuring durability and stability. Equipped with a pneumatic lifting mechanism, the chair allows for easy height adjustment and 360-degree rotation. The high-quality synthetic leather upholstery is durable and easy to clean, adding a touch of elegance to the chair. With five wheels, it's easy to move around. Plus, assembly of this beauty salon chair is a breeze.

Balana

Salon Stools

# ECHO

The salon chair is adorned with premium vinyl upholstery, equipped with adjustable height control and padded backrest, along with a stainless steel plated base. It's an ideal choice to be used together with our salon trolleys and beauty spa series.

# PUCK

This salon stool is upholstered in premium quality vinyl and features adjustable height control, a padded backrest, and a chrome-plated stainless steel base. It's the ideal choice to use alongside our salon trolley and beauty spa series.

Puck

Salon Stools

# FLORA

The chair features a distinctively contoured backrest and is equipped with pneumatic height adjustment and full 360° swivel functionality. Our salon chairs come in a variety of leather colors to choose from, and the seat cushions are filled with foam for maximum comfort during long hours of intensive work.

**VAST**

To provide comfort and relaxation for beauty professionals during long hours of work, we introduce the TEDDy Beauty Chair. We ensure its functionality and elegance. The 360-degree swivel seat doesn't restrict the movement of clients or beauticians, while the wheel design on the chair allows for quick repositioning.

The specially designed backrest alleviates pressure on the spine, promoting complete relaxation without the risk of tipping over. Your back is completely enveloped in soft fabric, and the overall embroidery on the chair gives you the sensation of sitting on a fluffy cloud!
