# Company Profile

Dalle Factory was founded in 2016, Located in Zhongshan city, China. We have been professional food dehydrator and slicer manufacturer for more than 6 years.

Covering an area of total 5000 square meters and with more than 80 workers, possessing powerful R&D, production and sales team. Our factory is equipped with large laser cutting machines, bending machines, hydraulic machines, and also independent laboratory, one-stop production from accessories to finished products and provide more benefit to customers.

Our production are strictly in accordance with ISO9001 quality management system. All our products are certified with 3C, CE, CB, ROHS and ETL and export to Europe, Southeast Asia, Australia, Africa and USA.

We always believe that the innovation is the foundation of the enterprise development.

Hence we will devote to researching and producing more utility models of household & commercial appliances all the time, bringing more innovative life to global consumers.
