

Product Datasheet

Catalog Number	ADT1193
Product Name	Edobacomab Research Biosimilar
Product Description	Edobacomab is a mouse monoclonal antibody.
CAS Number	141410-98-2
Clonity	Monoclonal
Target	Endotoxin[Gram negative bacteria]
Alias	E5, XMMEN-0E5, Edobacomab Research Biosimilar
Host	CHO Cells
Isotype	IgM
Size	1mg,5mg
Buffer	Supplied in PBS, PH7.5
Concentration	Batch dependent, please contact our customer service to get the COAs of current batch
Purity	>95% as determined by SDS-PAGE
Storage	Store at -20 °C for 12 months. Store at -80 °C for long term storage.
Shipping Condition	This product is shipped in blue ice.
