

## Material Safety Data Sheet (MSDS)

### I. Product Identification

<b>Product Name:</b>	Edobacomab Research Biosimilar
<b>Product Catalog:</b>	ADT1193
<b>CAS#:</b>	141410-98-2
<b>Relevant identified uses of the substance and uses advised against:</b>	In vitro preparation, for research use only and cannot be used in human body.

### II. Hazard Identification

<b>Classification of the Substance:</b>	Solid or Liquid.
<b>Label Elements:</b>	The product does not need to be labelled in accordance with EC directives or respective national laws.
<b>Other Hazards:</b>	No additional information available.

### III. Composition/Information on Ingredients

<b>Buffer:</b>	Supplied in PBS, PH7.5
----------------	------------------------

### IV. First Aid Measures

<b>Inhalation:</b>	If inhaled, remove to fresh air. If breathing is difficult, get medical attention.
<b>Ingestion:</b>	If swallowed and person is conscious, rinse out mouth with water. Get medical attention.
<b>Skin Exposure:</b>	Wash affected area with soap and water. Seek Medical attention.
<b>Eye Exposure:</b>	Flush eyes with continuously running water at least 15 minutes. Seek Medical attention.

### V. Fire Fighting Measures

<b>Flash Point:</b>	Data not available.
<b>Autoignition Temperature:</b>	Data not available.
<b>Fire Extinguishing Media:</b>	Water spray, dry chemical, foam, or carbon dioxide.

### VI. Accidental Release Measures

Absorb spill with inert material/absorbent. Decontaminate the spill site following standard procedures. Dispose of waste in accordance with all applicable federal, state, local and provincial environmental regulations per Section 13.

### VII. Handling And Storage

<b>Storage:</b>	Antibody products are stable for twelve months from date of receipt when stored at -20°C to -80°C. This antibody can be stored at 2°C-8°C for one month without detectable loss of
-----------------	--

activity. Aliquot and store at -20°C to -80°C. Avoid repeated freezing and thawing cycles.

**Handling:**

Dispose of unused product, spilled substance and waste in accordance with all applicable federal, state, local and provincial environmental and waste regulations.

**VIII. Exposure Controls/Personal**

**Ventilation System:**

A System of local and/or general exhaust is recommended.

**Eye Protection:**

Goggles or face shield.

**Skin And Body Protection:**

Respiratory Protection: A respirator is not expected to be required under normal conditions of use.  
Hand Protection: Wear chemical resistant protective gloves.  
Eye Protection: Wear appropriate protective safety eye glasses or goggles.  
Body Protection: Wear lab coat or other protective garments. Remove contaminated clothing promptly.

**IX. Physical And Chemical Properties**

To the best our knowledge, the chemical, physical, and toxicological properties of this material have not been thoroughly investigated.

**X. Stability and Reactivity**

**Stability:**

Unknown.

**Hazardous Decomposition:**

May form carbon dioxide and carbon monoxide.

**Conditions to avoid:**

No information available.

**XI. Ecological Information**

No information available.

**XII. Disposal Considerations**

Dispose of in accordance with federal, state and local environmental regulations.

**XIII. Transport**

Not dangerous goods. Be available for any mode of transportation.

**Other Information**

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. This product shall be used as research only.

**Disclaimer**

We believe the statements, technical information and recommendations contained here are reliable, but they are given without warranty or guarantee of any kind. The information contained in this document may not be valid for this material if it is used in combination with any other materials. ALPHA LIFETECH INC. shall not be held liable for any damage resulting from the handling of or from contact with the above product.
