

Life Energy —Product List

**An outstanding pioneer in the foreign trade
industry of Chinese herbal extracts**

ABOUT US

Life Energy is a foreign trading company that specializes in plant extraction and is committed to providing **high-quality** pure natural plant extracts for customers all around the world.

Thirteen years of journey, we have gone from start-up to industry leader, relying on **vision, innovation** and **customer first**, inseparable from the dedication and vision of the founders. In the future, we will stick to our **original intention**, continue to serve our customers and help the industry develop.

2012

Start

Our founder recognized the growing global interest in natural health products and saw the great potential of plant extracts.

The founder's sensitivity to industry trends and market demands has always been the cornerstone of our strategy.

2016

Growth

Our company's growth trajectory over the 2012-2016 period has been dramatic, with sales growing at an average of 50% per year.

The company continues to innovate and develop new products, deepen customer relationships, and always focus on and improve customer satisfaction.

2020

Challenge

Market volatility, regulatory changes and economic uncertainty are some of the obstacles we have faced over the years.

Our resilience and adaptability have helped us through the challenges. we also continue to expand our digital presence.

Products

Life Energy offers a **wide variety** of plant extracts spanning multiple sectors, including pharmaceuticals, healthcare products, cosmetics, and food additives.

Herbal Extracts

Specification: 5-HTP \geq 90%
Function: Mood enhancer,
sleep aid,appetite control,
pain management,
cognitive function and so on.

Griffonia seed Extract

Specification: 10: 1
Function: Enhance energy,
improve sexual function, regulate
mood, and have anti-oxidant and
anti-aging effects.

Maca Extract

Specification: RA: 40%-99%
Function: Natural sweetener, low
in calories, no glycemic index,
antioxidant, controls blood sugar,
prevents tooth decay.

Stevia Extract

Specification: 4: 1
Function: Cognitive
support,improved
circulation,mood regulation,anti-
inflammatory effects and so on.

Ginkgo biloba Extract

Herbal Extracts

Angelica Extract	Eucommia cortex Extract	Ligusticum Extract	Stevia Extract
Andrographis paniculata Extract	Fucoidan	Ligustri lucidi fructus Extract	Spirulina Extract
Ashwagandha standardized Extract	Flax seed Extract	Maca Extract	Semen coicis Extract
Atractylodes macrocephala Extract	Fenugreek seed Extract	Milk thistle Extract	Shilajit Extract
Boswellin Extract	Garlic Extract	Mucuna pruriens Extract	Sophora flavescens Extract
Borage oil Powder	Griffonia seed Extract	Notoginseng folium Saponins	Siberian ginseng Extract
Bacopa monnieri Extract	Green tea Extract	Plantain Extract	Schisandra chinensis Extract
Curcumin	Ginkgol biloba Extract	Passion flower Extract	Sophora japonica Extract-Rutin
Cassia seed Extract	Honeysuckle flower Extract	Panax ginseng Extract	Sophora japonica Extract-Quercetin
Cinnamon bark Extract	Inulin	Polygoni multiflori radix Extract	Tribulus terrestris Extract
Cuscutae semen Extract	Kaempferol	Resveratrol	Valerian root Extract
Dendrobii officinalis caulis Extract	Lotus leaf Extract	Rhodiola rosea Extract	Wild jujube Extract
Dendrobii officinalis caulis Extract	Luteolin	Salviae miltiorrhizae Extract	White willow bark Extract
Epimedium Extract	Lilium Extract	Soy bean Extract	Yuhimbe bark Extract

Antioxidant Class

- Specification: 5% 10%
- Function: Enhancing oxidative stress ability, anti-inflammation, protecting cardiovascular and blood vessels.

Lycopene Powder

- Specification: 5% 20%
- Function: Reduce ultraviolet damage to skin; brightening effect, lutein helps protect eyes from oxidation and high-energy light damage.

Marigold Extract

- Specification: Procyanidine: 95%
- Function: Antioxidant powerhouse, cardiovascular health, immune support, weight management and so on.

Grape seed Extract

- Specification: 4:1
- Function: Anti-oxidation, enhance immunity, promote digestion, protect cardiovascular system and provide energy.

Acai berry Extract

Antioxidant Class

Acerola cherry Extract

Black currant Extract

Grape seed Extract

Raspberry Extract

Apple Extract

Black rice Extract

Lycopene Powder

Strawberry Extract

Astaxanthin

Black wolfberry Extract

Marigold Extract

Peanut skin Extract

Acai berry Extract

Blueberry Extract

Naringin

Hesperidin

Bilberry Extract

Mulberry Extract

Pomegranate Extract

Sea buckthorn Extract

Bio-Chemicals

Specification: 99%

Function: Energy boost,
antioxidant defense,
cardiovascular support, anti-aging,
immune, mental clarity etc.

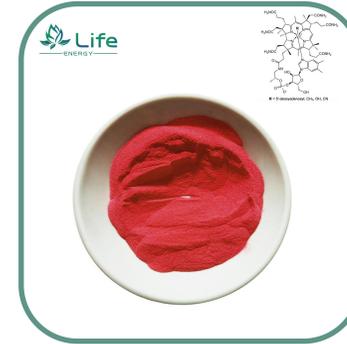

Coenzyme Q10

Specification: 98%

Function: Antioxidant,
neuroprotection, anti-
inflammatory, anti-cancer, heart
health support, anti-diabetic.

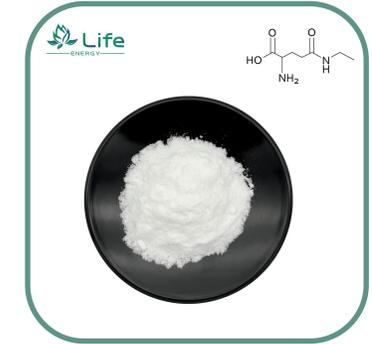

Fisetin

Specification: 98%

Function: Supports metabolism,
brain health, cardiovascular
health, mood, red blood cell
formation etc.

Vitamin B12

Specification: 99%

Function: Calming, improves
sleep, enhances cognition,
cardiovascular health,
neuroprotection, mood, immune.

L-Theanine

Bio-Chemicals

Alpha Lipoic Acid	Fisetin	L-Carnitine Base	Phosphatidyl Choline PC50
Cysteine	GABA	L-Arginine Hcl	Phytosterol Granule
Citicoline Sodium	Glycine	L-Carnitine Hcl	Sodium Ascorbate
Calcium Ascorbate	Glutamine	L- α -Glycerylphosphorylcholine(GPC)	Sodium Hyaluronate
Coenzyme Q10	Glutamic Acid	Melatonin	Sunset yellow FCF Coloration
Cyanocobalamin(Vitamin B12)	Inositol	Niacinamide	S-Adenosyl l-L-methionine Disulfate Tosylate
D-Ribose	Indole-3-Carbinol	N-Acetyl-L-Cysteine	Vitamin E
Diosmin	L-Theanine	Proline	Zinc Picolinate
D-Mannose	Lecithin	Pyroloquinoline quinone Acid	β -Nicotinamide Mononucleotide (NMN)
Erythritol	L-Arginine	Phosphatidylserine(PS)	3.3'-Diindolylmethane(DIM)

Fruit&Vegetable Powder

Specification: 4: 1

Function: Mood enhancer,
sleep aid,appetite control,
pain management,
cognitive function and so on.

Blueberry Powder

Specification: 4: 1

Function: With anti-
inflammatory, antibacterial,
treatment for nephritis and
cystitis, anti-aging etc.

Bilberry Powder

Specification: 4: 1

Function: Antioxidant, enhances
immune function, promotes
digestive health, helps to slim
down.

Strawberry Powder

Specification: 4: 1

Function: Antioxidant, enhances
immune function and blemish
removal, brain health and
eyesight.

Raspberry Powder

Fruit&Vegetable Powder

Apple Powder

Cranberry Powder

Medlar Powder

Snow pear Powder

Acai berry Powder

Cherry Powder

Noni fruit Powder

Watermelon Powder

Citrus Powder

Kiwi fruit Powder

Raspberry Powder

Wheat seeding Powder

Celery Powder

Lemon Powder

Roxburgh rose Powder

West blue pollen Powder

Carrot Powder

Mulberry Powder

Spinach Powder

Wild cherry berry fruit Powder

Mushroom Extracts

Specification: 4: 1

Function: Diuretic-anti-edema, strengthen spleen, stomach, tranquilizing, sedative, enhance immunity, antioxidant-anti-aging.

Poria Extract

Specification: Ganoderma spore powder; Function: Immune support, anti-inflammatory, antioxidant, cardio health, liver function, anti-tumor, etc.

Ganoderma lucidum P.E.

Specification: 4: 1

Function: The functions of enhancing immunity, anti-oxidation and regulating blood sugar, etc.

Chaga mushroom P.E.

Specification: Polysaccharides: 10%

Function: Lung-kidney invigoration, medicinal uses, respiratory/liver health, cardio health, anti-tumor, etc.

Cordyceps militaris P.E.

Mushroom Extracts

Agaricus blazei Extract	Coprinus comatus Extract	Hericium erinaceus Extract	Poria cocos Triterpene
Agaricus bisporus Extract	Coriolus versicolor Extract	Hirsutella hepiali mycelium Powder	Phellinus igniarius Extract
Agaricus blazei Powder	Cordyceps militaris Extract	Irpex lacteus Extract	Phellinus igniarius Triterpene
Agrocybe aegerita Extract	Cordyceps sinensis Extract	Lycium chinense Extract	Polyporus umbellatus Extract
Auricularia auricula Extract	Cordyceps militaris Powder	Lentinus edodes(shiitake) Extract	Sparassis crispa Extract
Antrodia camphorata Extract	Cordyceps cicadae Extract	Maitake Extract	Shell-broken reishi spore Powder
Boletus Extract	Coriolus versicolor sugar Peptide	Maitake Powder	Selenium enriched yeast Powder
Cordycepin	Cordyceps sinensis mycelium Powder	Mushroom Extract	Shell-broken pine pollen Powder
Chaga Triterpene	Flammulina velutipes Extract	Oyster mushroom Extract	Tea tree mushroom Extract
Chaga mushroom Extract	Ganoderma lucidum(reishi) Extract	Poria Extract	Tremella fuciformis Extract

Effect

We're perfectionists, so quality is everything to us, and we're **constantly innovating** to bring new ideas to the fore.

Effect

Nootropics	Nootropics	Longevity	Longevity	Mood
Brain Support	Natural Nootropics	Immune Support	Anti-Oxidants	Anxiety
Acetyl L-Carnitine	Acetyl L-Carnitine	Artemisinin	Alpha Lipoic Acid	GABA
