YTBIO[®] BUSINESS

Shaanxi Yuantai Biological Technology Co., Ltd

ABOUT US

Shaanxi Yuantai Biological Technology Co., Ltd.(YTBIO) was established in 2014. Its headquarters is located in Xi'an and its factory is located in Weinan Economic and Technological Development Zone. It is a comprehensive health food company integrating plant extracts, health food raw materials and capsules, softgels, sustained-release capsules, gummies, tablets, granulation, and solid beverage production and sales. It supports comprehensive services from raw materials to finished products and provides professional nutrition solutions. In addition, we can meet customer needs in terms of product packaging, flexible application of ingredients, and product label design.

Our factory is located in Weinan City, Shaanxi Province, covering an area of more than 10,000 square meters, with modern production equipment and large storage warehouses. It has obtained SC food production license, EU organic certification, food production license, international halal certification and other certifications, and has two 100,000-level purification workshops.
