## About Express Garden

Express Garden is a leading factories group of garden furniture based in China, Vietnam and Indonesia. With more than 25 years history and experience, it has been supplying to many famous importers, big furniture retail shops, garden centers, furniture chain stores etc internationally. Express Garden is also very professional and strong for hotel projects, in last decades, it has been customized supplying to more than 200 hotel projects worldwide, such as top famous TAJ resort hotel in Palm Islands in Dubai.

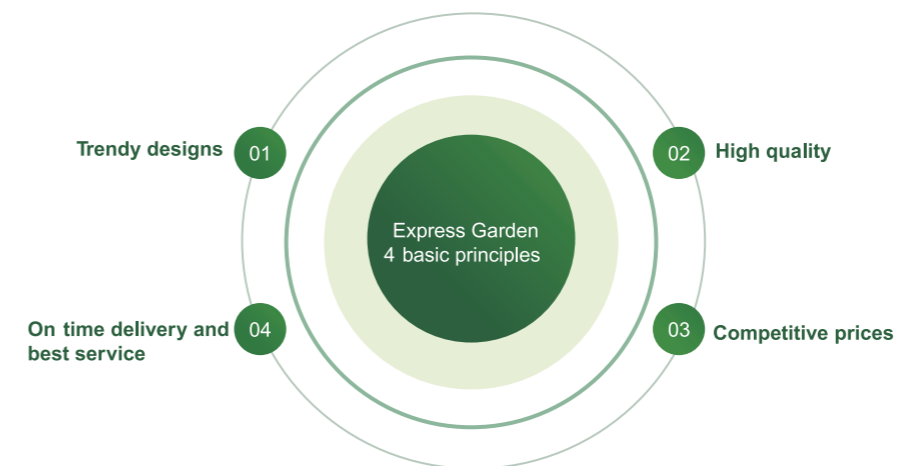

Express Garden's main factory in Guangdong China has production space of 50,000m<sup>2</sup>, central warehouse 10,000m<sup>2</sup>, and showroom 5,000m<sup>2</sup>, it has workers over 1000. It's monthly production capacity is 500 containers.

Express Garden has full capability and experience in making all kinds of outdoor furniture, such as wicker, aluminum, stainless steel, wood, and multiple materials.

Express Garden is very strong in design and R&D. Besides its own very experienced design team, it also cooperates with famous design studios in Italy, Germany, Netherlands and USA.

Express Garden factory had attained ISO certification since 2008, and it has all important qualified factory certificates, such as BSCI, SQP, GMP, etc. From all raw material to full production processing, Express Garden always sticks firmly to its principle of reliable high quality.

Express Garden has been well known for its "Four Basic Principles": Trendy designs, High Quality, Competitive price, On time delivery and best service

This "Four Basic Principles" like a light tower of Express Garden: all staff work to follow this "FBP"; all products are made based on "FBP"; Express Garden's all activities from making to selling are based on "FBP". We proudly with confidence that Express Garden is your most reliable Garden Furniture factory & supplier.

## Roberto Serio

Roberto Serio is a designer voted an irreplaceable to search for new innovative materials and a creative genius that make that the artist can work at 360 ° in the world of fashion, industrial and interior design. Born in 1966 in Palermo city rich in art, history and stands as a child in artistic design, in Milan attended the school the School of fashion designer. Consecutively meeting with the industrial design, the designer collaborate with several companies of high quality national and international. His interests are varied, of course, but is particularly attracted by the aspects that relate to artistic expression and communication with the spirit that things will get better only with the utmost passion and determination.

## NG Design

Architects Nicolas Verraver and Gauthier Desplanque began their design bureau, NG Design, from their existing architectural bureau, NG Architect.

NG Design expresses their passion for design, their love of everything that combines beauty and function, and their respect for the environment.

## Dirk Wynants

Dirk Wynants earned international fame as a trendsetter in outdoor living. More than anyone else, he drew his inspiration from an engaged and creative vision of design.

He has attention not only for the material requirements, but he also explores the different ways of answering some of the important themes circulating in society. For him, contemporary design is more than a matter of trendy or attractive objects. Design is about innovative solutions that contribute to making a better world.

## Bundl

The Antwerp-based design triumvirate Bundl was established in 2008. In conjunction with the client, they sketch the outlines of their new products.

That leads to new ideas that challenge every organization to grow further with radical and revolutionary products.

**Express Garden**

### 1. PLANING & CONCEPT DESIGN

All Line designers meet the owners to review the project site, survey the project local market and competitors running status. Combine the local Humanistic Culture and operator requirement, Harmonize the hotel style and space plan, Determine the location and layout of guestroom and public area.

### 3. BIDDING & CONTRACT

In this phase, All Line will assist the evaluation of pricing based on the above documentation. Make production plan of our factory and contractor factories, sign the contract and confirm the delivery schedule. After the deposit process, Our services include ongoing collaboration with the design team to assist the product samples, where necessary, with negotiations.

### 5. TRANSPORTATION & INSTALLATION

After the quality test, we will pack the goods based on international standard to ensure all the material enter into the site unbrokenly. On this phase, our installation service includes: Installation Schedule & Dispatch, Installation Supervisor and Fit Out Work.

### 2. DOCUMENTATION & SHOP DRAWING

Concept development begins with exhaustive research. Our designers study a projects location and demographic market in order to identify cultural and regional components that will impact and influence the overall conceptual design. Make a final set of FF&E drawings and specifications. Supply the documents including: Material Reference & Finish Specifications, Millwork & Joinery Drawings, Furnishing Specifications, Miscellaneous Decorative Details, Curtains, Bedding, Lighting and etc documentation.

### 4. PRODUCTION IMPLEMENTATION

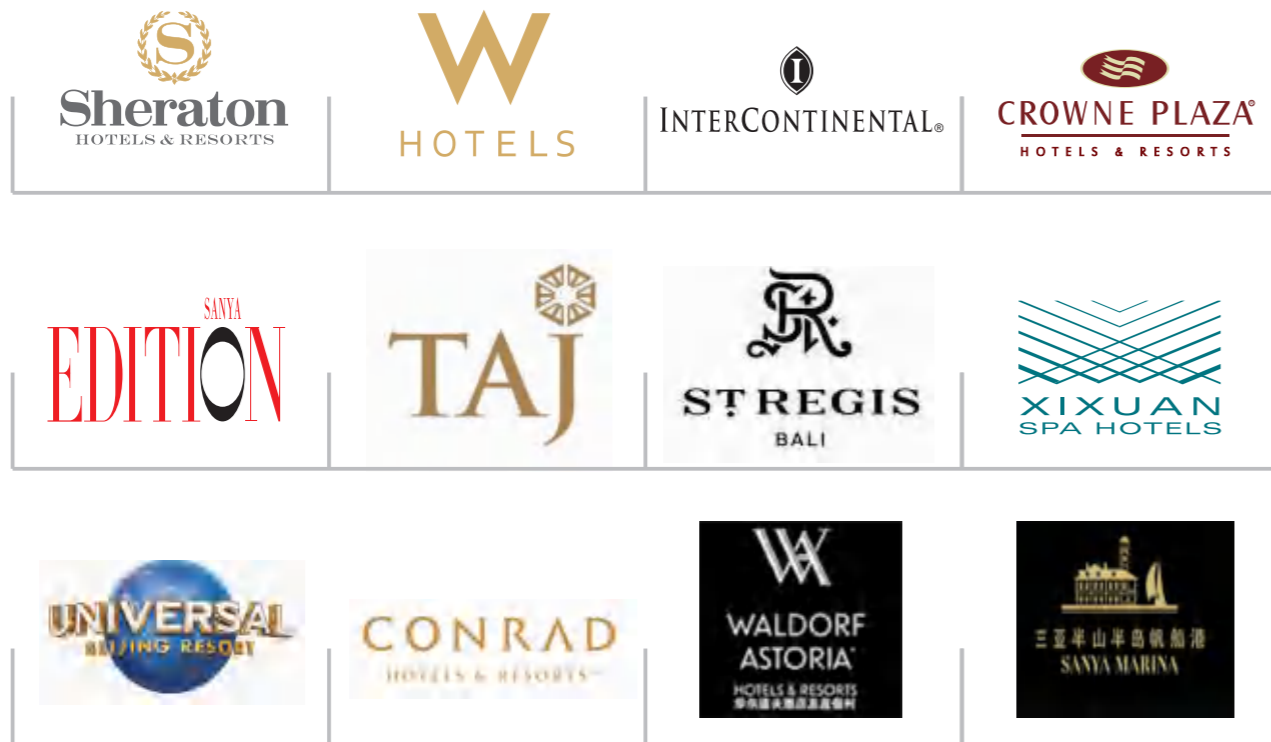

During the projects construction phase, our designers will make periodic site visits to review progress and production team will report the production schedule on each status to ensure that work is being performed in accordance with confirmed documents, specifications and design concepts.

### 6. ACCEPTANCE INSPECTION & AFTER SALES SERVICE

During the transportation and installation, some damages and scratches could not be avoided. We supply mending service to ensure all materials new. After the project start running, we keep on supply the after sales service, which make your honorable guests a perfect environment experience.
