RUSTED METAL Look Sintered Slab

RUSTED METAL is a bold reinterpretation of time-worn steel, rendered in sintered stone with advanced digital molding. Its earthy, rust-inspired palette ranges from deep reddish browns to oxidized gradients, evoking the patina of aged metal. With its 1200x2700mm format and matte finish, it brings tactile realism and rugged industrial charm to contemporary interiors. The 3-face random match supports versatile layout possibilities for expansive wall or floor installations.

Product Name | RUSTED METAL

Size | 1200 x 2700 x 9mm

Surface Finish | Digital Molded Surface with Matte Texture

Faces | 3 Faces, Random Match

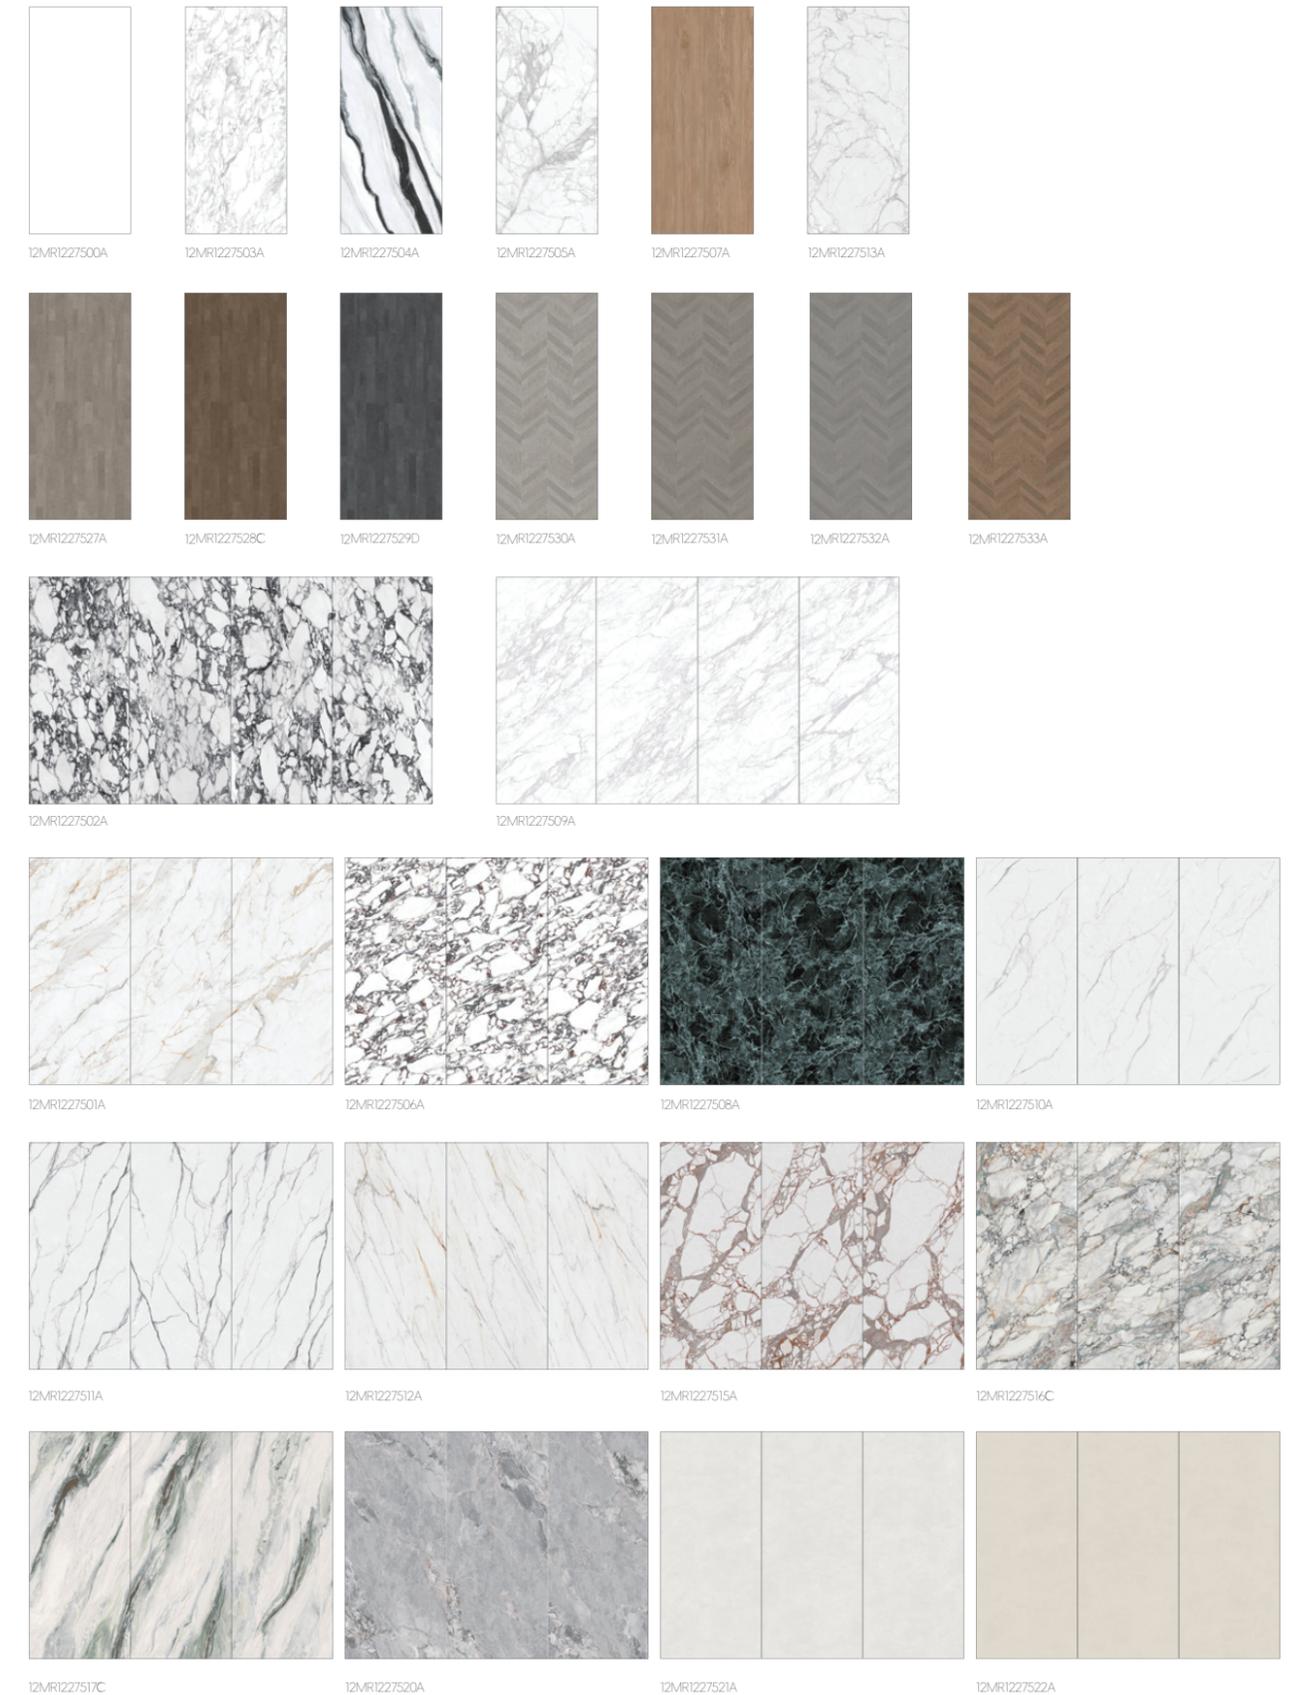

Material Type | Sintered Stone

Color | Weathered reddish-brown tones with textured metal patina effect
