SAVE YOUR LABOR

EZshine
Diamond Clean Solution

EZshine UltraStrip #00

Diamond Floor Maintenance Pads

Grit: 100	Sizes: 4"/100mm-27"/685mm
Color: Ivory	Package: 5 PCS/Case
Abrasive: Industrial diamond particle	
Fiber Type: 100% recycled polyester and animal hair	

EZshine Ultrastip #00 empowers cleaning teams to strip and restore floors in a single aggressive pass, delivering superior removal performance that outperforms traditional stripping pads or chemicals.

It eliminates aged thick wax, old paint coatings, and deep scratches — while dramatically reducing labor intensity, downtime, and overall restoration costs.
