

NK080T80 PET Bottles Balers

This type vertical pet bottles baler main for plastics ,bottle ,pet ,ABS ,Cardboard ,waste paper and so on.if you have any require ,please feel free to contact with us .Nick Baler Company provided the bottles baler and manufacturer all kinds of customized Pet bottles Baling Press machine to help you solve the problem!

Features :

This machine use two-cylinder balance compress with four door open

The special hydraulic system makes the power more stable.

Specially used for compressing PET Bottle

High load structure makes it safe and reliable. It uses pillar type pump with high flux.

Four doors can all open. And the machine can pack materials be cross

The vertical Pet bottles Hydraulic Baler machine is also a manual baling press machine.

In whole process of this machine, the vertical PET bottles baler machine needs to load the Bottles manually or by feeding conveyor to load ,then make to operate it. It is very convenient to operate this machine . It is driven by hydraulic device and has a high compression ratio. this machine press power from 40ton ,60ton ,80ton ,100ton ,120ton ,150ton different type of pressure power ,its depend on your require for bale weight and bale weight ,can choose the different model of machine ,The device is installed to prevent the rebound, and it can effectively keep the compression effect.

|-------------------------|---------------------|
| Model | NK080T80 |
| Hydraulic power | 80Ton |
| Packaging size (L*W*H) | 1000*800*500-1000mm |
| Feed opening size (L*H) | 1000*500mm |
| Chamber Size (L*W*H) | 1000*800*1500 |
| Capability | 3-6/hour |
| Bale weight | 150-250Kg |
| Voltage | 380V/50HZ |
| Power | 11KW/15HP |
| Machine size (L*W*H) | 1700*1200*3300mm |
| Weight | 3200Kg |
